## Meet Mrs. Cobb, 9th & 10th grade College Counselor

Hi my name is Geni Cobb. This is my 8th year at Cleveland Charter High School and I have the privilege of serving the 9th and 10th graders as their college counselor. During these remote times, please check out my Schoology posts as I post college resources and video interviews for the students on a daily basis. I have weekly themes and every Monday I announce the theme of the week. I want to make sure that all students have access to the information I post and if any one of you have questions, feel free to email me at [geni.cobb@lausd.net](mailto:geni.cobb@lausd.net).

I have Zoom office hours as follows:

Monday 10:30 – 11:30am

T-F 11:40 – 12:40pm

Either check out my Schoology posts for my zoom meeting and password ID numbers or email me and I can provide you with the zoom information.

It is always a pleasure serving all my 9th and 10th graders.

Stay Positive... Work hard; Dream Big.

## *Financial Literacy*

Please see the flyer on the next page which has individual links for students to register for each of the upcoming FFLE (Family Financial Literacy Events) in partnership with CCEE (The California Coalition on Economic Education) Zoom webinars. There are a total of 6 different events / webinars scheduled for this school year- (2020-2021). The first webinar is next Saturday, October 10, 2020 from 10:00 am to 11:30 am. We are excited to bring students and their parents information and resources pertaining to tips on completing the FAFSA application and an exploration of different career pathways. There will be guest speakers / panelists conveying valuable knowledge, and students will have an opportunity to win cash \$\$\$ prizes / gift cards by participating in the Raffle give-away. A big thanks to our partner, LAUSD's Linked Learning, for sharing the flyer that's on page 4. If you need additional information, please contact (213) 327-6654.

## *Meal Applications*

Remember, Cleveland asks every family to complete a meal application for your son or daughter. If you have a paper application, you can complete it and mail it back to the District, or you can complete an online application. You only need to complete one application if you have children in elementary, middle or high school. To complete an online application click on the link listed below or on CHS website. This is very important to Cleveland students because the school receives federal funds for every application that qualifies for free or reduced meals. Thank you! <https://www.myschoolapps.com/Home/PickDistrict>

## *GMS Students Next Year*

We are starting to recruit new and incoming GMS Magnet students for next year. If you know anyone who might be interested in joining the GMS family, please share the following information:
